Professional Summary

A results-driven .NET Developer with two years of experience in building high-performance web applications using ASP.NET Core, .NET MAUI, C#, and SQL Server. Skilled in developing RESTful APIs, micro services and ensuring application security through JWT and RBAC. Proficient in optimizing UI responsiveness and backend performance. Seeking to contribute to innovative projects and continuously grow as a developer.

Technical Skills

- **Languages:** C#, Python, JavaScript, SQL. **Frameworks:** ASP.NET, ASP.NET Core, ASP.NET Web API, Entity Framework Core, .NET MAUI, React Js. **Database:** SQL Server
- **API Tools:** Postman, Swagger, RESTful APIs. **Design Principles:** SOLID, MVC, Microservices. **Security:** JWT, Role-Based Access Control (RBAC)
- **Front-End:** HTML, CSS, Bootstrap, jQuery. **IDEs:** Visual Studio, Visual Studio Code. **Version Control:** Git, GitHub

Work Experience

DotNet Developer (*Diyos Infotech Pvt. Ltd*)

Hyderabad, Telangana 12/2024 - present

- Provide technical support and collaborate with the tech team to troubleshoot and resolve application issues.
- Develop and implement new feature requirements based on client specifications, ensuring high-quality, scalable, and efficient solutions.
- Work across the stack when required, assisting with UI enhancements and frontend integrations using modern frameworks like React.js.
- Manage both new features development and technical support responsibilities, ensuring seamless integration of enhancements while maintaining system stability and performance.

Junior DotNet Developer (*Marven Data Systems*)

Hyderabad, Telangana 04/2023 - 11/2024

- Developed and maintained robust web applications using C#, ASP.NET MVC Core, and SQL Server, enhancing user experience and system performance.
- Utilized JavaScript and jQuery for client-side validation and enhanced user interface responsiveness.
- Developed and maintained RESTful APIs using ASP.NET Core Web API, integrating them with SQL Server databases to support dynamic data exchange and enhance application functionality.
- Optimized application security by implementing JWT for secure data transmission.

Projects

FaME (Facility/Security Management Enterprise Software)

- Designed and developed a robust Payroll Management Web Application tailored for the manpower industry, enabling seamless automation of workforce and payroll processes.
- Engineered key functionalities to manage employee records, process monthly payroll, and oversee ESI (Employee State Insurance) and medical insurance details efficiently.
- Implemented an automated invoicing system, allowing clients to generate bills for companies hiring outsourced employees, ensuring accurate and timely financial transactions.

ITAM(Information Technology Asset Management) Web Application

- Created an IT Asset Management (ITAM) system to centralize asset tracking, integrating financial, contractual, and inventory data for improved asset lifecycle visibility.
- Developed an ASP.NET Core MVC and SQL Server-based solution, efficiently managing over 5000 assets with real-time alerts to monitor asset health and status.
- Introduced asset mapping functionality to categorize assigned assets, allowing administrators to unmap assets for specific reasons such as employee departure, maintenance, or defects.
- Designed intuitive features for asset monitoring, tracking, and disposal, offering a comprehensive platform for managing hardware and software assets.
- Built a dynamic dashboard with interactive data visualization, providing insights into asset valuation, end-of-warranty alerts, and spending trends across various locations.

Online Courses & Certifications

- React Js (Feb. 2025) - [React Js Certification](#)
- Foundational C# With Microsoft (Dec. 2023) - [C# Certification](#)
- SQL Basics With HackerRank (March. 2023) - [SQL Certification](#)

Education

KGR Insitute of Technology and Management, Hyderabad

Expected 2025

MBA in Information Technology & Systems

Satavahana University, Karimnagar

2020-2023

BCom in Computer Applications

6.9/10 CGPA

Languages

- English
- Hindi
- Telugu
